

Protecting Your Business

Commercial Automotive Insurance Provides:

- Commercial auto insurance covers damage to a company vehicle and bodily injury when you or an employee cause an accident.
- Protects a wide variety of commercial vehicles including business autos, vans, trucks, trailers, and large trucks.

Other Business Insurance Coverages

- **General Liability:** Coverage that can protect you from a variety of claims including bodily injury, property damage, personal injury and others that can arise from your business operations.
- **Business Owners' Policy:** Includes General Liability coverage and adds coverage against a variety of risks to your business' commercial building and personal property.
- **Workers Compensation:** Covers medical costs and a portion of lost wages for an employee who becomes injured or ill on the job. This can also protect your business from being sued by employees for workplace conditions that can cause injury or illness.
- **Commercial Disability:** Provides financial assistance to replace a portion of lost income resulting from an extended period of missed work due to an illness or injury occurring outside of work.
- **Commercial Umbrella:** Provides an extra layer of liability protection by covering costs that go beyond your other liability coverage limits
